## Introduction to OHS ISO 45001:2018

**ISO 45001** is an international Standard for occupational health and safety management systems. It exists to help all kinds of organizations put in place demonstrably sound occupational health and safety performance. It is widely seen as the world's most recognized occupational health and safety management systems standard oriented requirements, and continually improve in the system. ISO 45001 is closely aligned with the structures of ISO 14001:2015 and ISO 9001:2015 so that organizations could more easily adopt ISO 45001 alongside existing management systems.

## Key Benefits
