We have honor to work with Global/ International Organizations like; European Union, Kingdom of Netherland, German Council, Asian Development Bank, International Labor Organization (ILO), UN World Food Program, Pakistan Poverty Alleviation Fund (PPAF), World Bank, GIZ (International Zusammenarbeit GmbH) etc.

Introduction to ISO 9001:2015

ISO 9001:2015 have a distinctive structure, which will be used in all standards sharing the same basic requirements to increase adoption of all ISO standards. Risk based thinking is an essential part of the new standard, expecting organizations to identify and address the risks and opportunities that could help to provide compliant products and services. In new standard, the service has received its own identity, clarifying that ISO 9001:2015 applies not only to manufacturers but also to all types of service providers.

Key Benefits

- Greater emphasis on leadership engagement
- Helps address organizational risks and opportunities in a structured manner
- Better utilization of available resources
- Give requirements for Documented Information
- Effective Change Management
- Communication and Records Traceability through logging and documentation
- Personnel Trainings
